Vice President, candidate for election, incumbent, 2 year term

Matthew Delano: A descendant of Lt. Jonathan Delano, Matt is the youngest son of Bill Delano, who was (and is) his hero. Bill was actively serving as Vice President of the Kindred until his passing on September 18th, 2019. A former Marine, Matt is currently a technical project manager with Virginia Tech's Mid-Atlantic Aviation Partnership (sub-organization of ICTAS, Institute of Critical Technologies and Applied Sciences) and is very interested in Delano history and genealogy. Matt enjoys spending time with his wife Jackie, who serves as the membership chair for the Delano Kindred, and his interests include history (emphasis on American and military history), aerospace and aviation, atmospheric science, and spending time in the outdoors.

Treasurer, candidate for election, 2 year term

Paula F. Delano lives in Florida. Paula has been a member of the Delano Kindred since 2004 and has served the Kindred as Director, Website Committee Chair, Finance Committee Chair (currently), Nominating Committee, Credentials Committee, Interim Treasurer (currently). She retired from IBM in 2006 after 35 years full time and 3 years of part time work in Information Technology, having held positions in IT application development, planning, data processing, management, and executive staff functions. She is a trained project manager. She is active in her church. She has attended the last 10 Reunions, and is looking forward to working with the Delano cousins on Kindred projects.

Secretary, candidate for election, incumbent, 2 year term

Margaret L. Delano: Margaret is a descendant of Dr. Thomas Delano. She is a native of Massachusetts and lives on a small farm, dating back to the 1600s, in Boxborough, MA. She has served as Secretary since 2004. She has been a member of the Delano Kindred since 1993, has frequently attended the Kindred reunions, and enjoys knowing many members. She is a Doctor of Veterinary Medicine. She is semi-retired after over 45 years working in the academic and private research sectors. She continues to be involved with life science/biomedical research, an academic vet tech program, and private veterinary practice. She is active in county and state 4-H events, town and other committees, and her town’s museum (where she is slowly sorting through a medium-sized box, found in a former resident’s attic, stuffed with a wide variety of town paperwork dating back to the early 1800’s).
